

Notes on the Collection of Transfers

W. J. Sidis

Philadelphia, Dorrance and Company [©1926]
xi, [1], 13-306 p. illus. (incl. maps) diagsr. 20 cm.

"Author recommends that the Reader, after going through this Introduction, skip and read the end of the book first, and gradually work back toward the beginning as references and contexts suggest."

TABLE OF CONTENTS
